

Copeland compressor catalog pdf

Continue

Industrial compressors turn kinetic energy into pressurized air which can be used as a source of power for a wide variety of industrial machinery. They tend to be much more powerful than construction or home compressors and can be used in situations as diverse as powering crop sprayers, operating heavy metal presses, or powering pneumatic drills. This makes having a copeland compressor catalog essential for many industrial enterprises. Fortunately, you'll find all of the major compressor styles at wholesale prices thanks to Alibaba. Alibaba's wholesale copeland compressor catalog is the place to head for efficient air compression solutions. Our store includes compressors of every power rating, from small-scale models rated at 3.7kW or less, to units capable of 160kW or more. There are compression units that are tailored to the glass industry, rotary compressors that are suited to transportation businesses, and industrial compressors that can slot straight into production lines for foods, textiles, and machinery. Whatever industry you work in, expect to find a suitable copeland compressor catalog in the Alibaba catalogue. Some of the industrial compressors available at Alibaba are also suited to external and on-site use. These mobile copeland compressor catalog models have low noise, portable designs with wheels and lightweight constructions. Some of them also come in the form of trailer attachments, making it easy to connect them to trucks or automobiles – a great solution for those working in construction. With models for agriculture, construction, factory uses and many other situations, we've got compressors covered. Take a look around and find machinery to solve your compression challenges. Copeland Discus® Compressors with CoreSense™ Protection2 Page brand copeland model zr12m3e-twd-961 year 2017 refrigerant R134a, R410A,R407c power source 380-420V/3/50Hz oil filling(L) 4.14 displacement(m3/h) 28.8 oil charge(L) 4 weight(kg) 92 MOQ 1 height(mm) 542 O1. Would you send me a sample before making the order? Yes. Of course, but you need to pay for the compressor. Q2. Could you give me a discount if we make a large order? Yes, the price depends on quantity. Q3.What's the payment terms? Our payment terms is L/C at sight, 30% deposit and 70% before shipment, and Western Union. Q4.What's the delivery time? The delivery date is about 7-10 days after received your payment. Copeland Scroll Compressor We are an authorized dealer of Emerson Copeland scroll compressor for air conditioning made in China. We supply all kinds of Emerson Copeland scroll compressor for air conditioner, range from 1.3HP – 40HP. Emerson Climate Technologies is the world's leading provider of heating, ventilation, air conditioning and refrigeration solutions for residential, commercial and industrial applications, supporting the industry with advanced technology, technical support and training services. For more than 80 years, Emerson has been introducing innovative technology to the market, from the first semi-hermetic and hermetic compressors in the 1940s and 1950s, the high efficiency Discus semi-hermetic, air conditioning and heating scroll compressors in the 1980s and 1990s, to the new Stream semi-hermetic and the digital scroll compressor technology of today. Based on this, Emerson has developed an unequalled range of solutions for the refrigeration and air conditioning markets. In recent years, Emerson has become a major solution provider to the air conditioning and refrigeration industry. Our range of Copeland Brand products addresses the diverse needs of all of these markets. With scrolls and semi-hermetic compressors available for all main refrigerants, equipped with smart electronics and capable of modulation, Emerson Climate Technologies has taken compression technology to new heights. 1. Wide scroll line-up 2. Low oil circulation rate 3. Low sound and vibration level 4. High efficiency for saving energy consumption 5. Place of Origin: China (Mainland) 6. Refrigerant: R22/R410A/R407C/R134a/R404A/R507 7. Certification: TUV, CCC, UL, VDE, CE, C.R.A.A, TIS, KC, CB, INMETRO "Quality 1st, Honesty as basic. Sincere company and mutual profit" is our idea, in an effort to create consistently and pursue the excellence for Copeland Compressor Catalogue, Factory Evaporative Air Cooler, ,3hp Copeland Compressor, Bitzer Open Type Condensing Unit, Mitsubishi Compressor Type. All of the time, we have been paying attention on all information to insure each product or service glad by our customers. The product will supply to all over the world, such as Europe, America, Australia,Tunisia , Lebanon ,Porto , Jordan. With the technology as the core, develop and produce high-quality merchandise according to the diverse needs of the market. With this concept, the company will continue to develop merchandise with high added values and continuously improve items, and will present many customers with the best goods and services!
